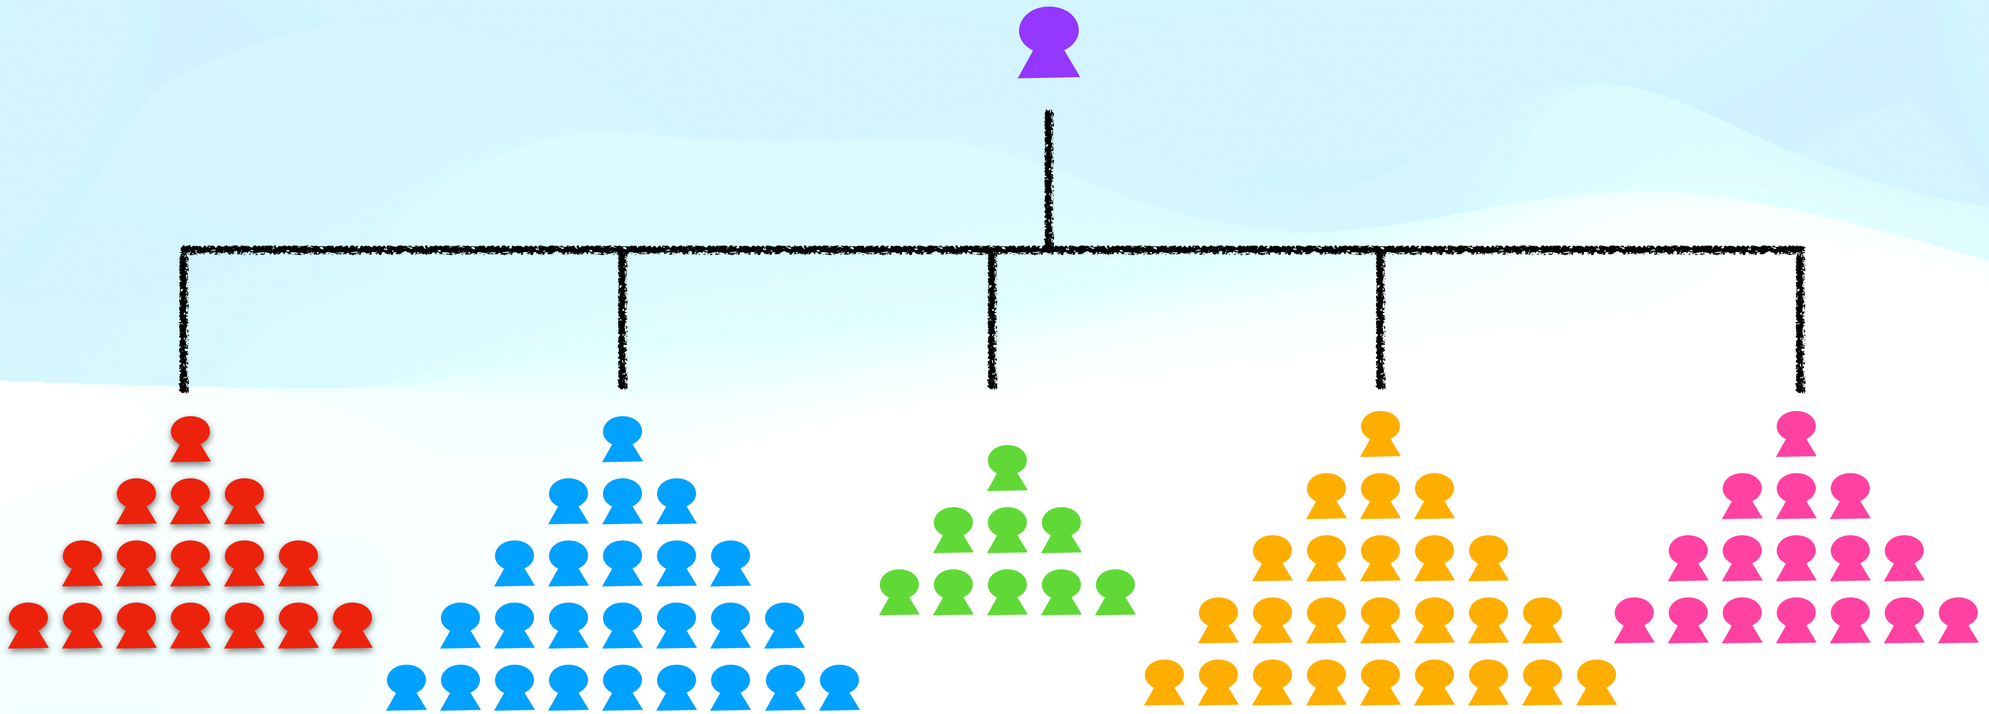
Unlock Business Agility With Flight Levels

Kulawat Wongsaroj & Kamon Treetampinij
Official Flight Levels Guide, Lean In Consulting

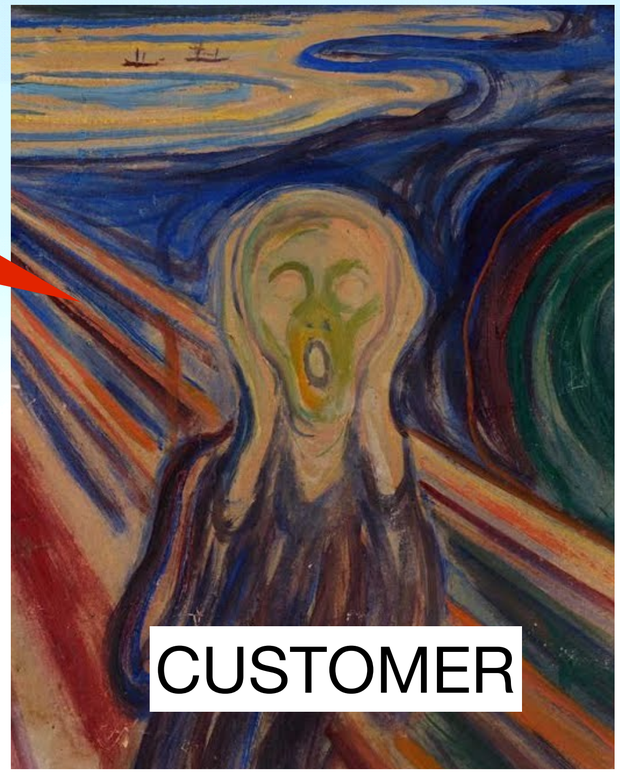
Inspired by true stories

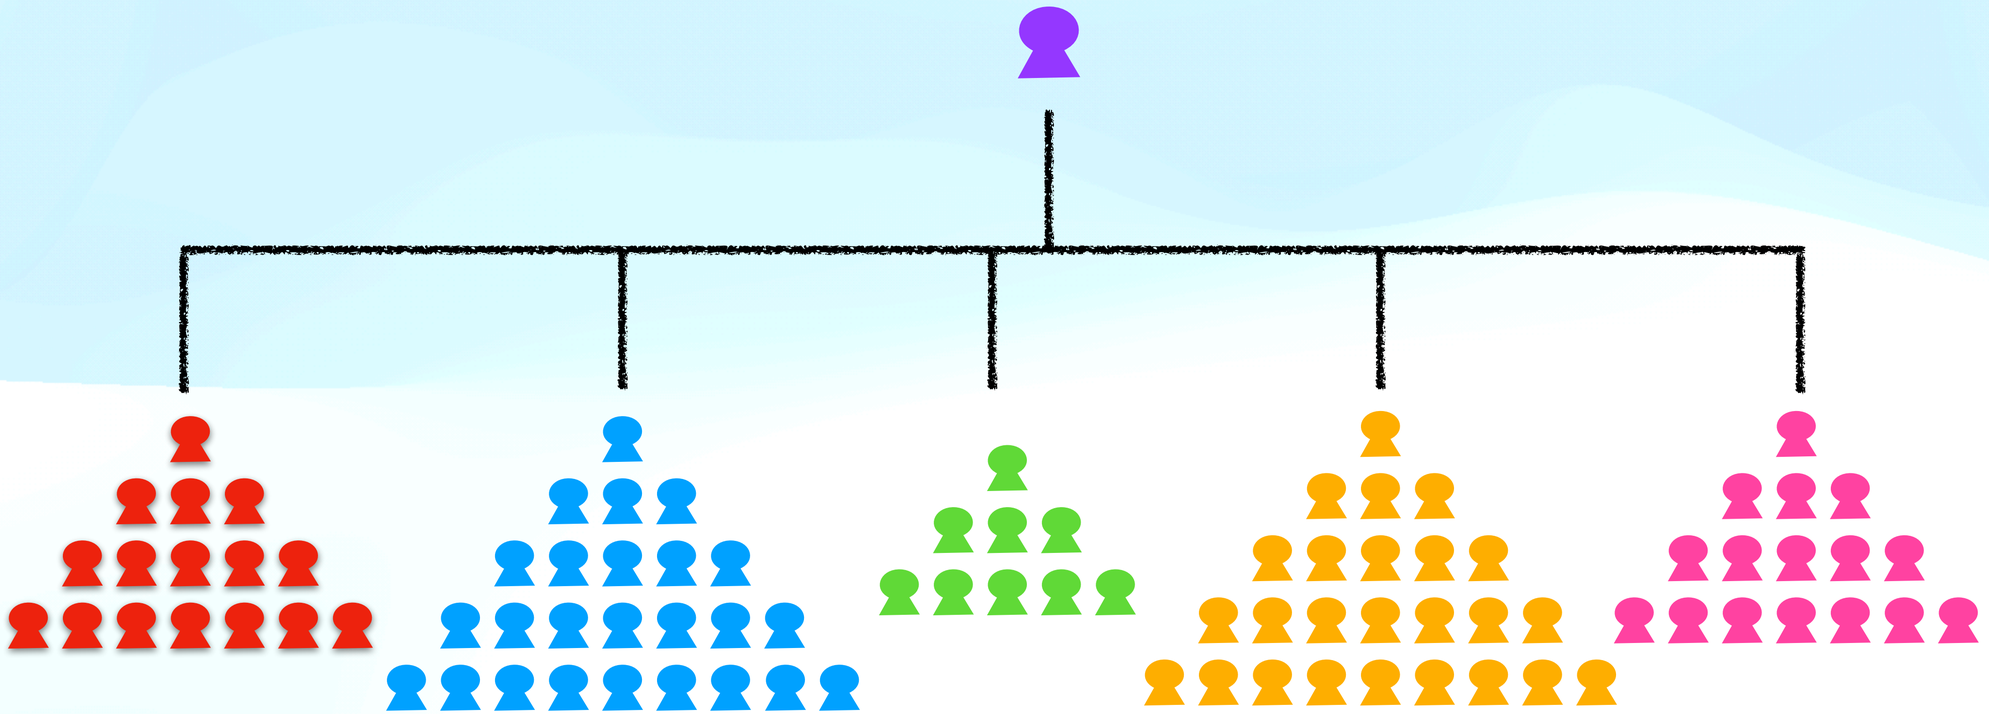
A company that has been around …



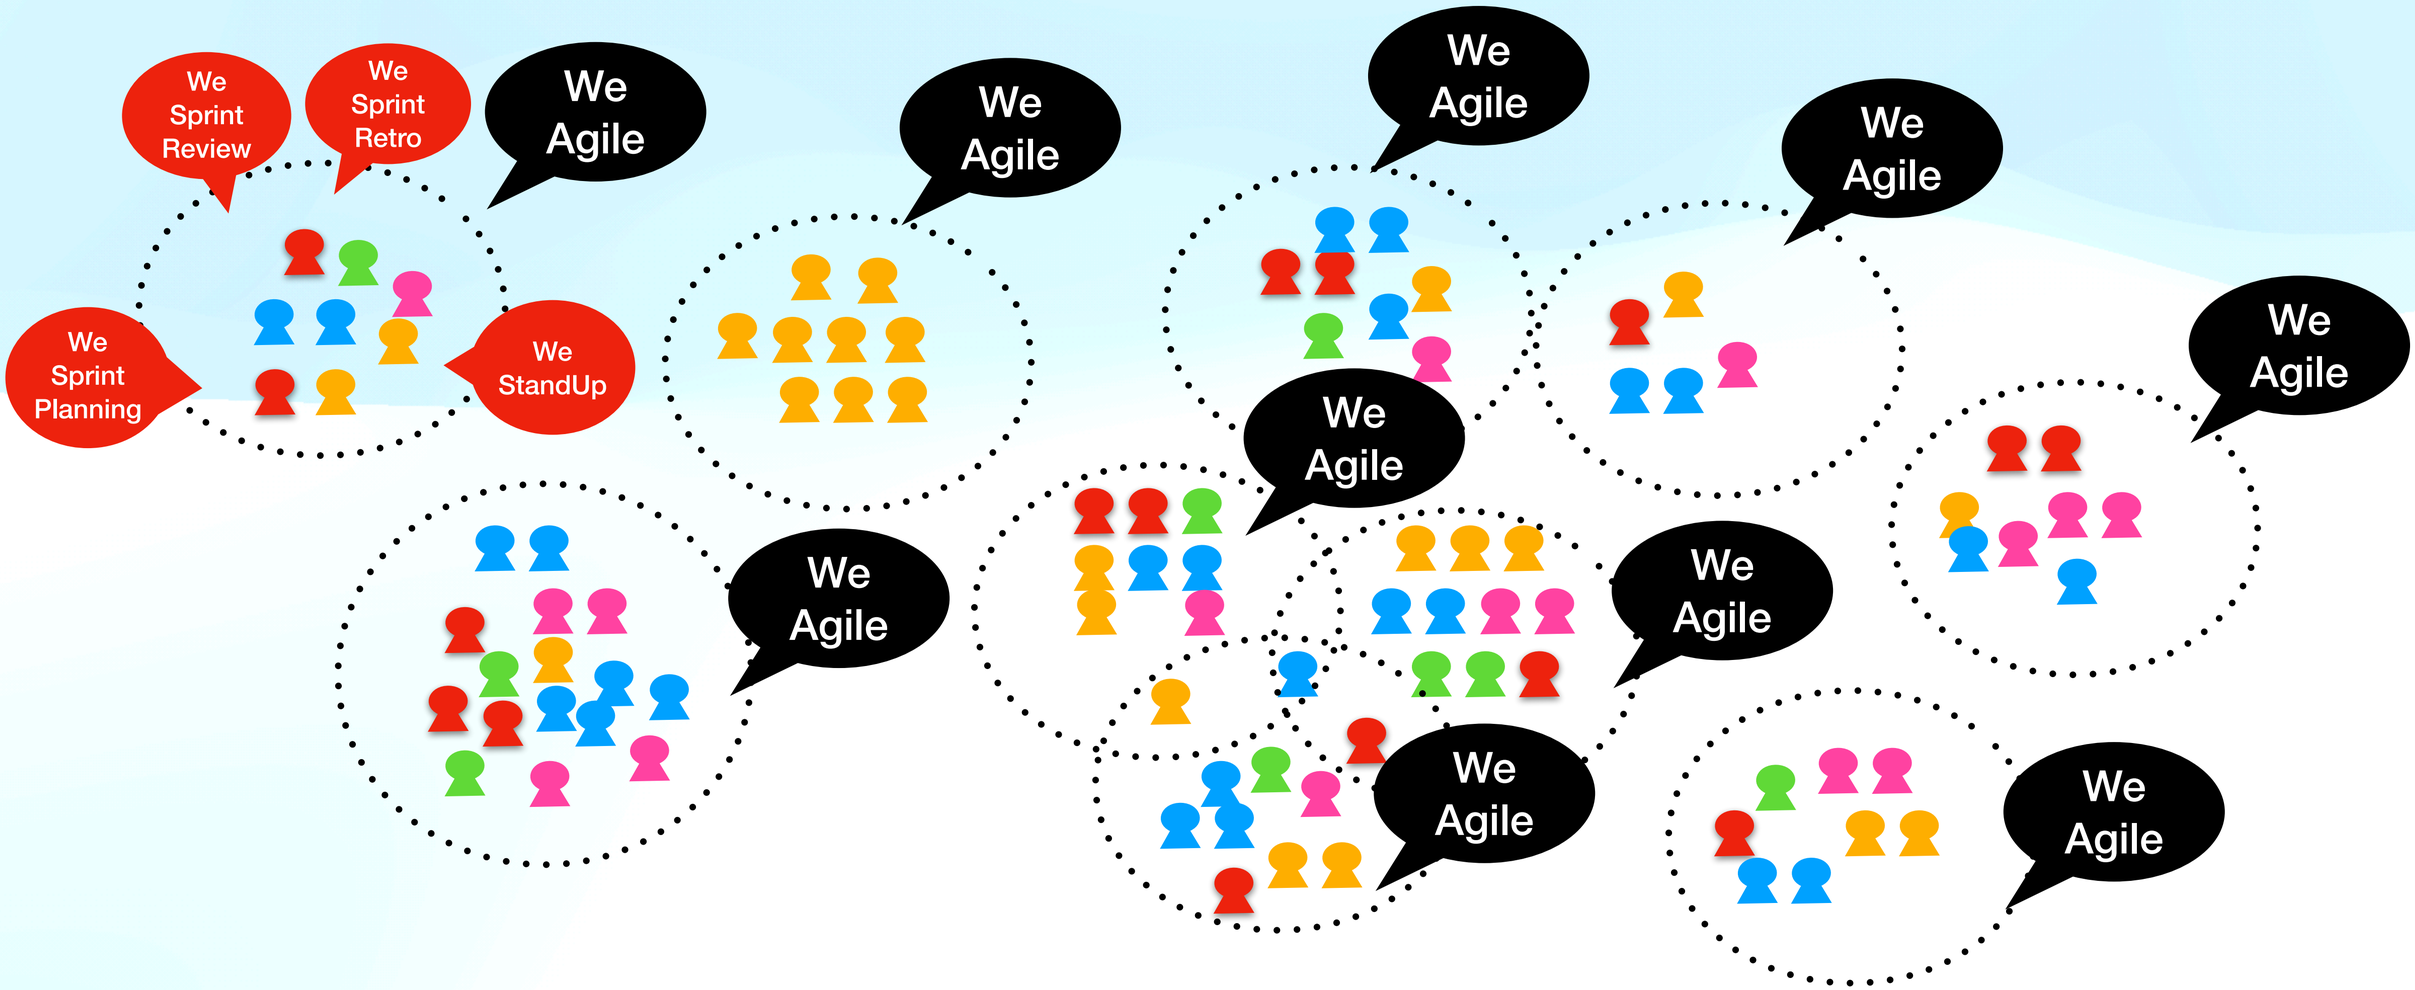
Here comes the Enemy No. 1

You are too slow!



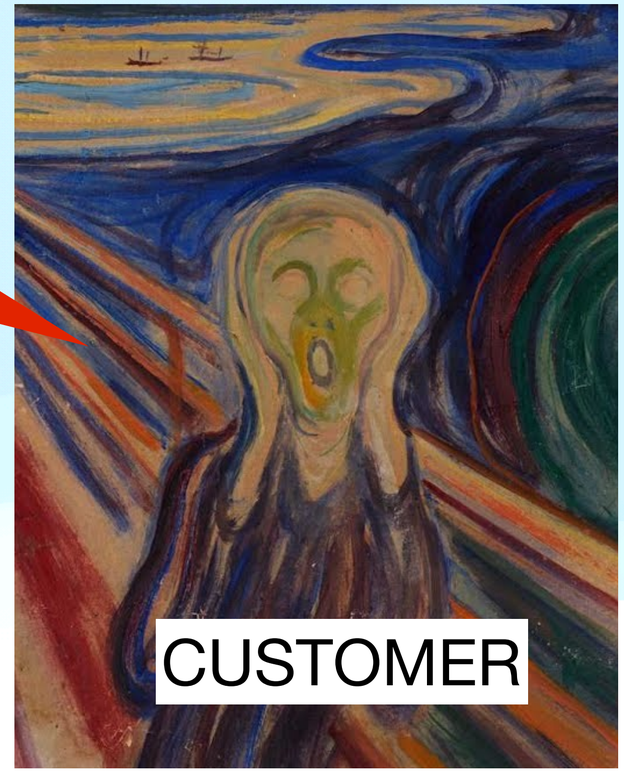


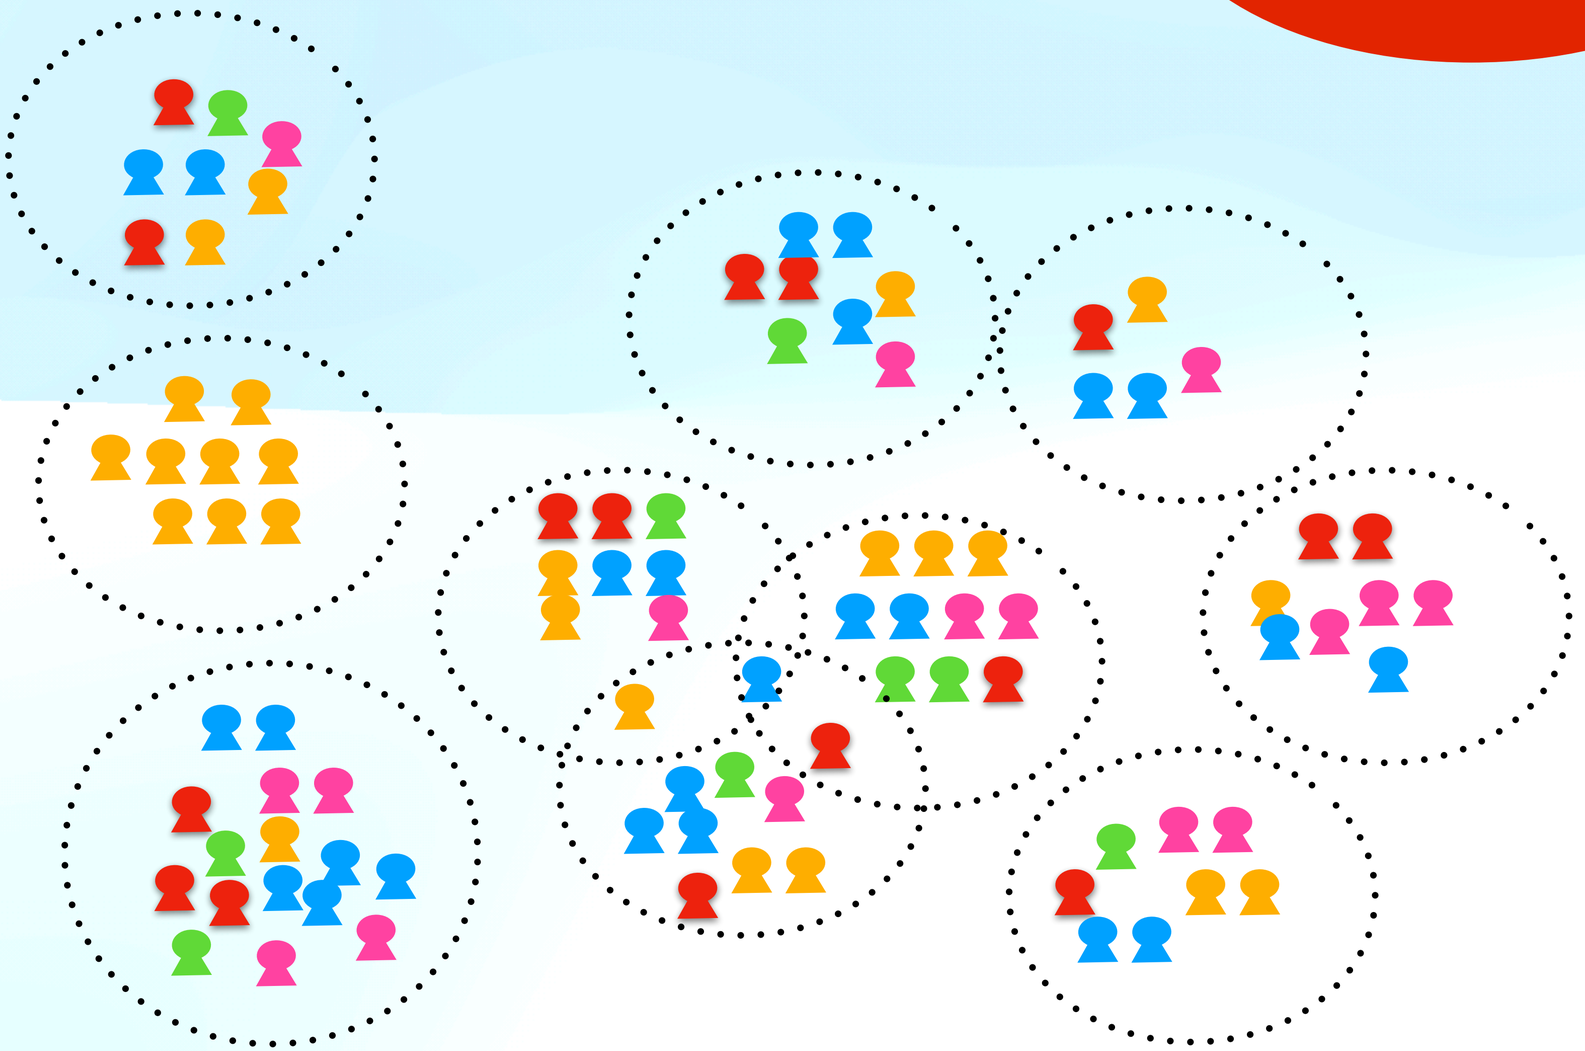
Agile is the answer?

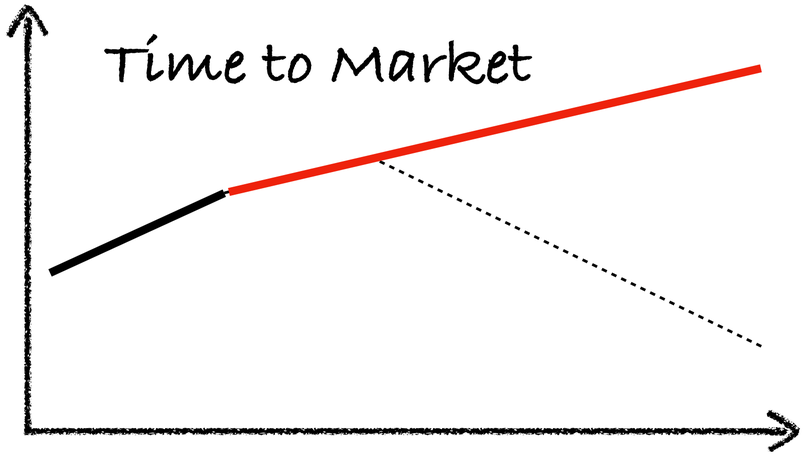


How is the result?

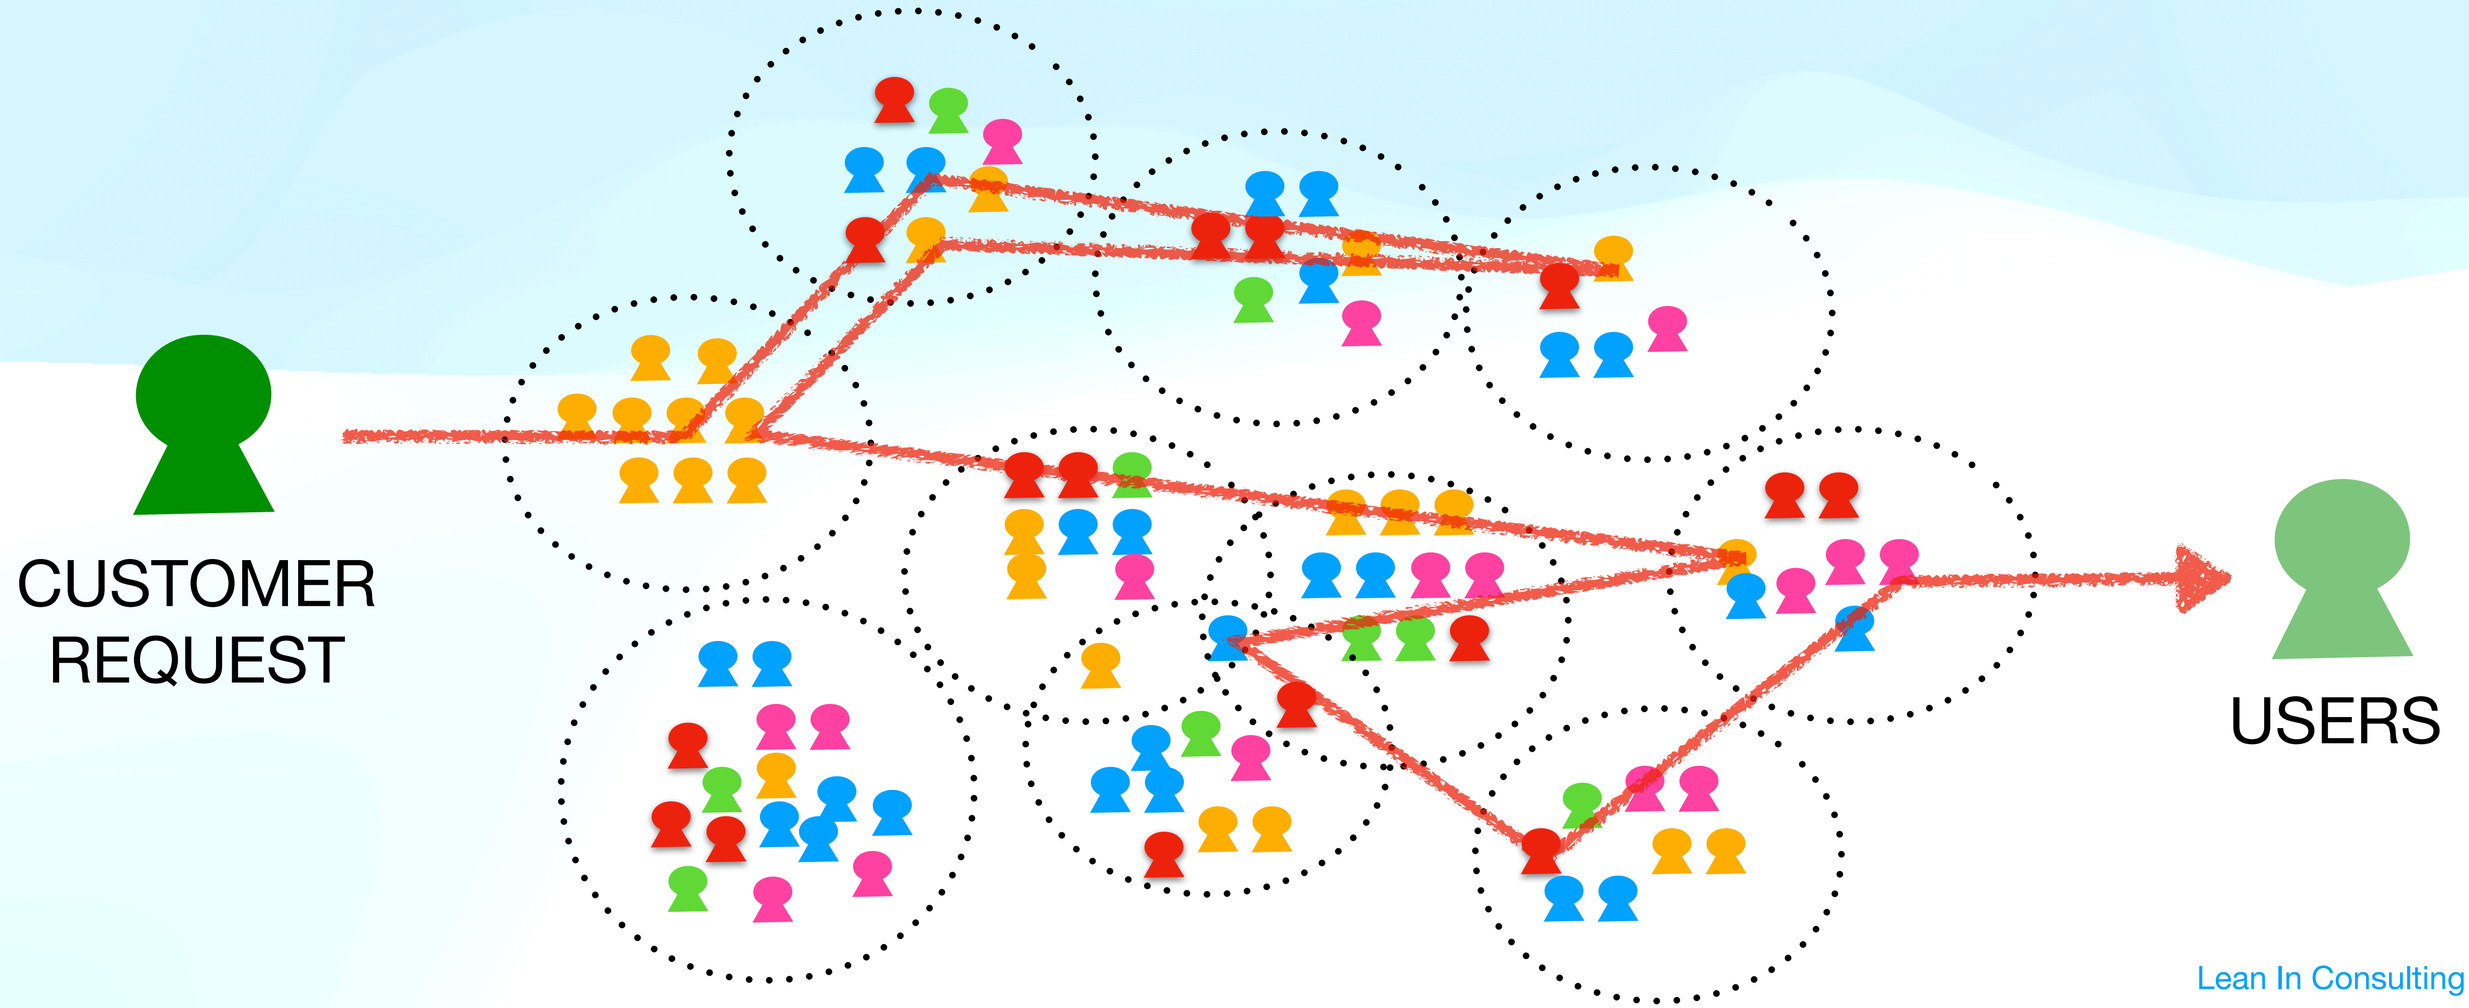
That's it.!
We are going to your competitor!







Agility is not just about teams



Rethinking AGILE

With Flight Levels

You shall build
Flight Level 2 System
